

## Boxing Clever

The Molex Premise Networks 601 Fibre Enclosure is one of the most popular wall mount interface on the market today.

Re-designed to offer low profile cable management, easy installation and provision for either fusion or mechanical splices. The 601 Fibre Enclosure' versatility is its strength.

This adaptability allows it to support the latest adapter technology, such as MT-RJ, LC and Optoclip II.

The 601 series is the ideal choice for fibre wallmount applications.
